actual Light Body since His Liberation so many centuries ago.

Kwan Yin offered Him, silently, the Place of Honor as Officiating Master within the Heart of the Flame, and it was with great personal effort that She continued in Her Service, so overwhelmed was She with Gratitude at the Presence of Her Great Lord and Teacher. He just smilingly waved Her on, and remained the center of all hearts' love and interest as the Transmission continued.

At a given moment, He arose, and with His Beloved Ananda, together They placed Their Holy feet upon the Bridge created by the breath of the Brothers, and these two Beautiful Gods walked slowly and majestically over that Bridge toward the Retreat at Suva, from whence They proceeded into every Retreat and Sanctuary and Home where the currents were being drawn, focused and transmitted, until after about fifteen minutes, They again appeared in the Temple, having circled the Earth and blessed, personally and individually, each lifestream who was a part of the transferring of the Mercy Flame of Love Divine.

There is no need to emhpasize the tremendous import of such a visitation, nor to point out the spiritual significance which lies within the return of Lord Buddha. There is only the reminder that you walk in 'strange days', and in the Presence of Guests whose coming is even unheralded to the Brotherhood, and blessed are they who are gathered together awaiting such blessing in whatever day it may come.

Love and Blessings,

Through the great gift of free will, the evolving life on every planet and in every system determines, within itself, the course of its evolution, and the specific qualities and momentums required all stem out of the use to which the evolution puts the priceless gifts of life. Those Causes are the pointing finger by which the Intelligences whose sole duty, responsibility and joy is the ultimate Victory of every particle of life, know what the future requirements of the race will be; each Cause being bound to manifest Effects that will either help or hinder the manifestation of the Divine Plan.

Therefore, different planets, different systems and galaxies have Represnetatives of distinct Qualities which that evolution requires or will require to fulfill its destiny. On many planets, the Resurrection Flame is not required because there have been no Causes set up which will manifest as disease, decay, disintegration or apparent death.

The Office and Cosmic Activity of the Holy Comforter came into being at the moment that the first man (Adam) chose to experiment with the Creative Centers of his own thought and feeling and a form short of Perfection was conceived and externalized which was the first chain of the karmic heritage of the race. At that time, the Great Silent Watcher, knowing that every Cause breeds Effects, and the Effects, in like manner, generate many Causes, realized that some time and somewhere would the call come from life for

Comfort. Unto that day and hour was prepared the Cosmic Temple of Cosmic Comfort to Life which abides within the Heart of the Electronic Belt around the Sun of our System.

Therefore, you will see that the Cosmic release of Comfort to man was pre-ordained from the moment that the first shadow stole stealthily from the mind of man, and the Silent Watcher, knowing the prolific generating quality within that shadow, prepared for the hour when the Light in the heart of man would know the spawn of the first parent error and be smothered beneath the pressure of the 'original sin'.

It was then that the first Maha Chohan drew from the Bosom of the Father of Light the Quality of Comfort, and the Glorious Cherubim with Him created the Chalice into which, through all succeeding ages, every Comforting Presence has poured that portion of His Life which He chose to dedicate to such a Cause; and in the history of the ages there have been many such Blessed Hearts. Today, the final hour in the history of our planet is at hand, and the Message of Aquarius is to be fulfilled as the Cherubim inverts the pitcher and allows the Comfort of Life to flow which will bring release to the Light in the heart of every man.

The past, present and future are as one to the Great Intelligence who governs the evolution of planets and galaxies, and truly the statement: "Before they call, I have answered!" is a manifestation of the Love and Compassion of the First Great Cause who has prepared for a race's evolutionary process, nourishment which will be a sustaining comfort as well as salvation to them in a given hour.

The Angels of Comfort have winged Their way, century after century, into the Cosmic Temple of Comfort which is presided over by the Glorious Cherubim whose service it is to hold this Quality in its concentrated essence. Here They have filled Their Cups with God's Comfort, carrying it to the hungry hearts who have sent out a call or a prayer for this Divine Quality, and for every Cup that was filled, from the Heart of the Sun came ten times that amount again so that in no measure would the gathered momentum of Comfort guarded by the Cherubim be lessened.

The activities of the great Cherubic Hosts are particularly concerned with the guarding of qualified energy which is to be utilized by the Intelligence of the Godhead for a specific purpose.

All of the energy qualified by a certain Quality which will be of benefit to a Cause which will benefit a race, a planet or a galaxy, is seized by Great Beings who ensoul it to keep it from returning into the Primal State of Universal Light. Thus, when a Great Being becomes invested with the responsibility of embodying a Quality of the Godhead and, through His very Self, awakens a like quality in any sphere, a member of the Cherubic Host volunteers to hold the drawn, concentrated and qualified energy of such an one, and all the contributed energy of those lifestreams which the Sponsor can interest in a similar Cause becomes the momentum which builds until the hour of fulfillment is at hand, and then, through the Heart Center chosen to be the channel or faucet for its release, the gathered momentum of the ages flows and the life of a planet or a galaxy is enriched thereby. The guarding of the energy, until such a moment arrives, is the service of the Great Cherubim.

These Beings never, for an instant, deviate from this concentrated service to life. It is almost impossible for the human mind to conceive of such one-pointed, patient, constant devotion and yet there are Beings belonging to this system and others who have rendered service of this kind for billions of years. They become Silent Watchers of Universes, systems of worlds and galaxies in time. The small elementals that sustain the pattern of a flower during its comparatively short existence in a given season, and the greater Devas who sustain the pattern of the oak tree or the great Redwoods of California for hundreds of years are examples, in the Kingdom of Nature, of this service to Life.

The name of the Beautiful Cherubim who sustains the Quality of Comfort in the Great Cosmic Temple devoted to that service and quality is LOVELEE, and I ask that your conscious recognition go to this Being who, voluntarily, of Her own great Love, chose to preserve and sustain the Quality of Comfort until the hour when man should require it most, and the demand for Comfort rising from the hearts and minds of all men might no longer be denied.

At this moment, I, as the privileged Representative of this Quality, will act for Myself and My Illustrious Predecessors and ask that the Pitcher of Aquarius be inverted NOW and the Cosmic Comfort to Life flow to every evolution which belongs to this chain.

Blessings and Love,

MAHA CHOHAN

This week, I would like to elucidate a subject which, perhaps, has not come to your thought and, not being presented in the mind, could not be meditated upon for the nourishment of the spiritual nature. It is in regard to service, and the balance that the lifestream can voluntarily pay to the Universal Law of Love in order to ensure freedom from the wheel of birth and re-birth.

You have been told that the Cosmic Law has offered to balance forty-nine percent of the debt each lifestream owes to life through the misqualification of pure God Energy. This is done through the Cosmic Expansion of the Sacred Fire through the beings and worlds of evolving humanity. This means that fifty-one percent, or a little over half of the energy of the individual, must have gone forth in a constructive manner (not necessarily in a spiritual way) before the pendulum of your life's experience swings toward freedom from the magnetic pull of Earth and the things of Earth, and your Ascension is assured.

Now, we must understand that all lifestreams are not alike. For instance, a powerful, forceful, intense person releases ten times the energy that a lethargic and placid individual would emit. Therefore, the quantity of energy cannot be measured equably with regard to every evolving spirit. Strong spirits who have incarnated from the beginning of manifest time have released sometimes as much as five hundred times the energy that has been released by the masses, and
